PCC SCRIP

healthy fund raising

NATURAL MARKETS

**Earn money for your school
or nonprofit organization
while you shop at PCC.**

PCC Scrip makes it easier than ever to raise funds for your organization while shopping for delicious, all-natural groceries at PCC.

What is the PCC Scrip program and who can participate?

The PCC Scrip program is a fundraising tool for local, educational and grassroots nonprofit organizations in our community. Any school or nonprofit organization with a 501(c)(3) status can become a PCC Scrip participant.

How does it work?

Your organization can purchase cards at 95 percent of the full value, which you will sell to participants/supporters for full value, earning five percent of that purchase.

Your participants can now spend the money they paid for their Scrip cards at all PCC stores and then continue to use their cards by recharging them with money each time they shop.

Recharge transactions made on these cards are tracked by PCC. Twice a year, your organization receives a check for five percent of those recharges.

Are there order limits for Scrip?

Any Scrip order from a registered organization must be at least \$500. Cards must be ordered in increments of 10. Cards must be loaded with the same dollar value. For example: 50 Scrip cards @ \$10 each = \$500 minimum order. See the Scrip order form for more details. We strongly recommend that you order more Scrip cards than you currently need to ensure an adequate supply for future participants.

How do supporters recharge their Scrip cards?

Supporters, at any time, can recharge their cards at the registers in a quick, simple transaction at any PCC location, for any amount between \$50 and \$1,000. Five percent of all your Scrip card recharges are donated to your organization.

Can supporters check their Scrip card balances?

Yes, supporters can ask for their balance at any PCC checkstand, view it online at pccnaturalmarkets.com/scrip or scan the back of their scrip card with a mobile device.

How are Scrip funds distributed?

Your funds will be issued by check, made out to your organization, twice a year in May and December. Detailed reports are available upon request.

How do I sign up?

It's easy. Visit pccnaturalmarkets.com/scrip to register online or contact the Scrip Coordinator at scrip@pccsea.com or 206-547-1222.
